CAFOD Family Fast: Friday was a Family Fast Day and at all Masses we will take a collection for CAFOD activities. There is another box at the back of the church labelled for this collection. Thank you for your usual support.

The Parish Finance Committee express a big thanks for your financial support to the parish through the different means of offerings and contributions during these difficult times.

For your Sunday offerings and collections and NHS Test and Trace cards, a box is at the entrance on a small table on the right and a basket on the left.

Pro-abortion MPs in Parliament want to stop pregnant women getting help outside abortion clinics by calling for buffer zones. SPUC is campaigning to save the right for peaceful pro-life vigils to take place. Hundreds of children are alive today because their mother met a loving pro-life person just before they walked into the abortion clinic. We must protect this vital work. Prisons Week 11th-17th October 2020

We are asked to pray for all affected by prisons, whether a prisoner, a victim, family members or those who are volunteering or working in the Criminal Justice System. Resources for the week can be found here: <https://pris>

World Mission Sunday, which takes place this year on 18th October, is the one day of the year when the global Church comes together in support of mission to express solidarity, through Jesus, in situations of poverty and oppression. We are asked to join together in both prayer and practical action at this time.

Mass Offerings: Please drop your Mass Intention envelope with the usual details at the Presbytery and you will be informed when this Mass will be celebrated.

Face Coverings (An Act of Charity)

Face coverings were made mandatory in Places of Worship from Saturday 8th August 2020. All those who are attending churches must wear a face covering unless they are exempt from doing so. This is for the good of all who gather in the church for Mass as it is an enclosed public space where there are people from differing households who they do not normally meet.

Please do remember always to fill in the NHS Test and Trace forms when you come to Mass, either from the pews or download the forms from the website. Thank you

Pope's Intention for October: The Lady's Mission in the Church. We pray that by the virtue of baptism the laity, especially women, may participate more in areas of responsibility in the Church.
