Re: General Data Protection Regulations (GDPR)

As you may all be aware there is some new Data Protection Legislation coming into force on 25th May 2018, which is going to impact on all of us. One of the responsibilities we will now have to undertake is to know who has access to the vast amount of personal information we hold in the parish. I know that a great number of you currently volunteer for the parish or may have done so in the past and may have some personal information at your home in a file and/or on a PC or laptop. Please could you let either me know if this applies to you so that I can let you know what actions you will need to take going forward. The Archbishop is encouraging all of us to help implement these changes and I thank you in advance for your co-operation.
