Mass Offerings: Please drop your Mass Intention envelope with the usual details at the Presbytery and you will be informed when this Mass will be celebrated.

Popes Intention for November: Artificial Intelligence - We pray that the progress of robotics and artificial intelligence may always serve humanity.

Holy Souls: Forms and envelopes will be available at back of the church for parishioners to write the names of their deceased family and friends, plus a donation if you can. These forms will be placed at the altar in the month of November.

Below is part of the Bishops of England and Wales message which was posted on our website last week. As I mentioned in the church before the close down, the church is open for private prayer.

Despite profound misgivings it is important that we, as responsible citizens, observe these Regulations, which have the force of law: 'Remind them to be obedient to the officials in authority; to be ready to do good at every opportunity' (Titus 3:1). We do this in solidarity with so many others on whom are being imposed restrictions which impact severely on their lives and livelihoods.

At this difficult moment we ask that, as a Catholic community, we make full use of our churches as places of individual prayer and sources of solace and help. We must sustain each other in our patterns of prayer, joining a national shared moment of prayer each day at 6pm, and observing the Vigil of Christ the King which is on the 21st November as a day of prayer for the ending of this pandemic.
