### Prayer for the start of the New Year

Lord, I sometimes wonder where I am going and what is the meaning of my life. I wonder especially what the New Year holds for me. Will it bring joy or sorrow, success or failure, life or death?

But then I remember that you came on earth,

And that you still travel the road of life with me.

And so I say to my soul:

Go out into the darkness, and put your hand in the hand of Christ, your brother

That will be better than a light, and safer than a known path.

**Popes intention for January -True human fraternity** We pray for all those suffering religious discrimination and persecution; may their own rights and dignity be recognized, which originates from being brothers and sisters in the human family

Full explanations of the procedure will be given. If you can help please see Fr Paul or email the parish office. Thank you
