**Greeting from Fr Paul:** It is with a heart full of joy that I convey my sentiments of gratitude to you my dear parishioners for your warm reception.

I am very much delighted to be among you as your priest and the one who serves., for Fulton Sheen affirms that “the priest is not his own”

As a community, let us continue to enjoy the presence of the living God in our midst, sharing the love of God as the people of God and family.

In one accord, let us march on and make St Pius X a visible reflection of the glories of heaven on earth.

We should be proud of St Pius, we don't have any other church we can possibly call our own except St Pius.

Therefore, let everyone be involved in the life of the parish community thereby contributing in no small way to make our parish great and special.

God bless. Fr Paul
