Prayer for the start of the New Year

Lord, I sometimes wonder where I am going and what is the meaning of my life. I wonder especially what the New Year holds for me. Will it bring joy or sorrow, success or failure, life or death?

But then I remember that you came on earth, And that you still travel the road of life with me.

And so I say to my soul:

Go out into the darkness, and put your hand in the hand of Christ, your brother That will be better than a light, and safer than a known path.

Popes intention for January -True human fraternity We pray for all those suffering religious discrimination and persecution; may their own rights and dignity be recognized, which originates from being brothers and sisters in the human family
