Covid 19 Vaccinations

There has been some uncertainty within the Catholic community with respect to vaccinations for Covid 19. It is very important that the pastoral counsel we offer our people accurately reflects the Church's moral teaching and tradition, which affirms that such vaccinations are morally licit. This is articulated in the most recent statements by the Bishops' Conference of England and Wales

and the Vatican

Holy Father's Intention for January: Human fraternity - May the Lord give us the grace to live in full with our brothers and sisters of other fellowship religions, praying for one another, open to all.

The Funeral Mass of Helen Hagerty has been postponed to the 13th Jan 2020 at 2.30pm as a member of the family is unwell.
