Father Henry's Vacation. I am travelling to Uganda for a break to see my family on 13 April returning on 26 May. There will be priests to cover services in my absence although unfortunately I could not obtain full cover. In my absence there will be only one week day morning mass on Wednesdays. The weekend Masses of Saturday evening mass and Sunday masses will be as usual. On Thursday 13 May the Feast of the Ascension masses will take place at 10 am and 7pm. Usual Weekday Masses will resume depending on issues to do with quarantine on my return.

Streaming Masses. Anticipating the possibility of an increase in attendance over the Holy Week and Easter celebrations, there is will be life streaming for those who might be unable to secure a seat so that you can attend and follow the Mass from the Parish Hall on our large TV screen. This streaming is only available in the Parish Centre and not in your homes.

On line portal. Donations can now be made to our parish directly to the Parish Account via a link on our website and be gift aided as <https://portal.myдона.com/assets/webPay/index.php?cid=235>

The Lord is Risen. It looks to be a very long ago since we last celebrated Easter. We would like to express our thanks to God for giving us a breather to celebrate Easter in some form this year. No situation or condition is ever permanent. We have learnt so many things during the Lockdown one of which is to appreciate the gift of Life. As a parish we have been so lucky to escape the harsh and unfortunate consequences of the pandemic which other places have had to live with, the loss of loved ones. Just like God raising Christ from death at Easter, we are grateful for all the blessing we have received. This must truly be our Easter. Thanks to Margaret the Sacristan who has set up and made it possible for us to celebrate the Masses and Liturgies considering throughout the Lockdown amidst all the many rules and regulations we had had to follow. Thanks too to all the team of Volunteers and Stewards who have done tremendous job during the Lockdown. They have kept the Church safe and clean for us to gather to pray. And to all of you who contributed in one way or another to make sure the Church kept open and running and more importantly for being there despite the risks. This has shown your tremendous faith that despite everything, God is in control. **Have a blessed and happy Easter.**

Popes Intention for April. Universal Intention -Fundamental Rights. We pray for those who risk their lives while fighting for fundamental rights under the dictatorships, authoritarian regimes and even in democracies in crisis.

Contactless Giving. This device/machine is now installed at the back of the Chuch. Those who would like to use it are welcomed. It works like any Pay Machine we use anywhere.
