On this day, let us remember all unborn children, especially those recently conceived. That safety, protection and love would be granted to them, and that we the church, with the intercession of Our Lady, would take on the call to support these precious children of God."*

A big thanks from the Parish Finance Committee for your continued financial support to the parish during these difficult times and for your Sunday offerings and collections; a box is at the entrance to the church on the left on a small table as you exit the church. The parish needs your support for meeting its obligations and pay the bills.

Date	Offertory	Many thanks for your generosity

Mass Offerings: Please drop your Mass Intention envelope with the usual details at the Presbytery and you will be informed when this Mass will be celebrated.

Collective worship has resumed in churches from 2 December. This decision applies across all three tiers of COVID-19 restrictions in England. On behalf of the Bishops, the General Secretary of the Catholic Bishops' Conference, Canon Christopher Thomas, commented: "The Catholic Community in England is delighted at the Government's decision to allow the resumption of collective worship following the national lockdown in all three tiers. This reflects the importance of the right of all people to express their faith in worship, but more importantly, it is an acknowledgement of the active collaboration the church has had with public officials in developing COVID-secure protocols in our churches. As we move forward, it is incumbent on all who come to worship in our churches to play their part in keeping themselves and others safe by following all of the guidance that has been prepared. Through our encounter with Christ in the Eucharist and other sacraments celebrated in the Church, the works of charity which have been expressed through Catholic charities and communities over the last nine months finds its source and goal."

With deep sorrow we announce the death of Helen Hagerty which occurred on the 27th Nov. Helen used to attend the 6pm Mass on Saturdays. Do keep her and the family in your prayer

Popes Intention for December: For a Life of Prayer - We pray that our personal relationship with Jesus Christ be nourished by the word of God and a life of prayer.
