**First Holy Communion 2021:** This will commence when we are allowed to hold classes in the church. At present if you have an eligible child (baptised and age 7 or over) please register your interest so we can ascertain potential numbers. Blue forms are at the back of the church or download from the website.

**Pope's Intention for March: For Evangelization - Sacrament of Reconciliation.** We pray that we may experience the sacrament of reconciliation with renewed depth to taste the infinite mercy of God.

**Southwark Diocesan Photobase:** The Diocese is hoping to compile a database of images originating in Southwark and to develop a system to use these by parishes, clergy and staff within the Diocese. It's intended to ensure we have a wealth of church-related images particular to the Diocese, which can be used on a public basis by anyone working for or with the Diocese, without concern about copyright infringement. We will rely on parishes to take part to take part in building up the database. If anyone has a good quality/high resolution image, with regard to the parish please let me know.

Date	Offertory	2 <sup>nd</sup> collection	Many thanks for your generosity

**Mass Offerings:** Please drop your Mass intention envelope with the usual details at the Presbytery and you will be informed when this Mass will be celebrated.

**Lenten Devotions:** The Lenten Devotion of the Stations of the Cross cannot be done at the moment on a community level. However, we are all encouraged to make our own private one if we can. The church will be open as usual. If you need help in getting into the church for your devotions and prayers, please do let me know.

*This week as we celebrate International Women's Day, we pray especially for all pregnant women that they too would be championed, protected and supported by all of us in society, not only tomorrow, but always and that life will always be protected at every stage.*

**Lenten Appeal: For the construction of a wall fence for a Health Unit.** As I mentioned last week proposing a Lenten Appeal for those who are able to donate and support a project. Back in Uganda, my home parish runs a maternity clinic with admissions and the parish would like to construct a wall fence for security. This facility and unit was built by the parishioners as the Church does so, with support and provision of health, education and other services. They would like to build a perimeter fence to provide some security and convenience to the mothers admitted in the facility. For those who would like to support the appeal they can use the Parish bank account with deposit as **Lenten Appeal** or use envelopes that are provided at the back of the church marked as **Lenten Appeal**. The project cost is estimated to be **£2700**. Thank you very much for your support.
